

Woman do you know; who you are?

Do you know what you possess?

I don't think so, for countless think they have no worth and some feel lost without the love of a man.

Know this: God is "LOVE" come and belong to Him.

Without man's love, you think you are nothing. However, know this my sister.

God has given you, Himself. God is love.

Therefore, His love is always around you, calling you to himself.

Say yes to His Call. HIS Love then comes into you!

Woman Do You Know Who You Are?

Woman, God has CREATED in you the power of influence,
the power of nurturing, and the power of birthing.

These gifts were given to Eve who is the first of your kind.

Her name means the mother of living things.

I want you UNDERSTAND that you are a type of Eve.

Eve came from God, Gen 1:26-27, created in His image.

Woman Do You Know Who You Are?

I don't think so.

Since God himself spoke and influenced something to come out of nothing,
why don't you understand you can speak and make something happen (Proverbs 18:21)?

Power is in your mouth.

Bridle the tongue but not when what you say brings life.

Listen with your Heart (mind-emotion-will)

God made you unique unto himself with the ability to birth.

Why my sisters do you limit that birthing to be physical?

The power to birth is mainly spiritual.

I suppose. If you really knew who you were you would understand Gen 3:15.

Satan desires to silence you because he actually fears you..

He only speaks to you in the natural self,

but you are also spiritual created from HIS IMAGE." Gen 1:26-27"

Woman Do You Know Who You Are?

Mary was highly favored and birthed the Messiah.

Who is in you to be birthed?

Woman having perhaps caused death, now find out who you are.

Stand up, resurrected one. Speak life.

God gave you the power of nurture. Go and get your seed.

Go nurture God's seeds.

Pick them up, lift them up, sooth the broken, the wounded, and the lost with the spirit of influence.

God will stand up in your heart if only you would believe.

(Psalms 139:14).

The psalmist said you are marvelous and wonderfully made. Is it hard to accept?

Let go of the past and step into the future with understanding;

Woman Do You Know Who You Are?

If it is dead, nurture it or let it go,. If it is alive lifted it up.

Speak, don't yell, quiet spirit (1 Peter 3:4)

Speak, don't lie, the truth shall set you free (John 8:32)

Speak, don't settle, God has the plan for your life (Ephesians 1:4)

Woman Do You Know Who You Are?

You are God's Master Piece (Ephesians 2:10).

Created in His likeness, pulled out from. His likeness - Adam.

Called Eve "Mother of Living Things"

Woman you possess the power of influence, the power to nurturer, and the power of birthing?

Women Do You Know Who You Are?

Come and learn who you are
